Violations

Comments

Cyanuric still high but is moving down. Continue draining pool and scrubbing sides/bottom of pool to decrease concentration. It is recommended to switch from trichlor to regular chlorine.

Pool cleared to open.

Failure to make corrections shall result in denial, suspension, or revocation of your license.

All critical violations shall be corrected within 10 calendar days. An extension may be granted if the corrective action cannot be completed within 10 days. All extensions must be in writing. Repeat violations requiring additional follow-up inspections may be subject to a **\$100.00** reinspection fee.
