Identifies critical items

Failure to correct any violations of critical items within seven (7) days or failure to correct violations of any noncritical items within fourteen (14) days may result in suspension of your tattoo establishment permit. If a second critical violation is committed within the period of one (1) year (calendar or otherwise), the tattoo studio shall be subject to a civil penalty of up to five hundred dollars (\$500) and the tattoo studio's permit may be revoked. Items identified as constituting imminent health hazards shall be corrected immediately or operations shall cease. You are required to post the tattoo establishment permit in a conspicuous manner and to keep this imspection report available at this facility for public disclosure to any person who requests to review it. You have the right to request a review regarding this report by filing a written request with the local health department within ten (10) days of the date of this report. T.C.A. Many people have hepatitis C and do not know it

CDC now recommends all adults be tested for hepatitis C

Licensed facilities use safe tattooing and/or piercing techniques that are proven to prevent hepatitis C and other infections such as HIV
